

Caroline's Kids Pet Rescue/Sanctuary is often asked "What will happen to my cats if something happens to me? Who will care for them?"

We have developed a comprehensive program to help you. With either option, Caroline's Kids provides loving care to insure that your pet continues to live a happy, healthy life at our free roam sanctuary.

WE PROVIDE:

- Quality care by a trained and experienced staff.
- Veterinary services.
- Specialized individual care for aging and illness.
- Hospice care.
- Up to date technology
- Heated and air conditioned living quarters.
- A country setting featuring space and fresh air.

OPTION 1:

This option is designed to provide the guarantee that your pet will have a future home should you pass away or become unable to provide care due to incapacitation, or a change such as moving to a nursing home. Please use the following donation schedule to determine the one-time, non-refundable donation for your cat. The cost is per cat, and payable upon acceptance into the program. If there are two people, use age of youngest person.

DONATION SCHEDULE	
YOUR AGE	DONATION
39 or Less	\$1,000.00
40-49	\$1,000.00
50-59	\$1,500.00
60-69	\$2,000.00
70 and up	\$2,500.00

Should something happen to your cat prior to coming to Caroline's Kids, this donation is not refundable and will be used to help other cats in our care.

Caroline's Kids must be notified by your attorney or a family member as to your death or incapacitation. We must have been given

prior authority by you in writing, through an attorney, that we may take immediate possession of your cat so the cat does not lack food, water and care.

If anything changes with you as to the name of your attorney or family member, or anything changes with your cat, notify Caroline's Kids immediately.

OPTION 2:

This option is designed to provide continuing care for the feline pet that is left behind when its owner passes away or can no longer provide care and the need is IMMEDIATE.

This option is also available for a feline pet whose owner is seeking an IMMEDIATE resolution to any circumstance beyond those stated above.

The donation is a one time payment of \$3,000.00 per cat upon acceptance of the cat into the program, and is non-refundable.

Caroline's Kids is a 501(c)(3) organization. We are a no-kill sanctuary and never euthanize for any reason other than irreversible pain and suffering. Our cost to give your pet quality care is \$3,000.00. This cost

may increase considerably and is absorbed by Caroline's Kids should your cat become ill for an extended time.

Please fill out the Acceptance form and forward with the correct donation to:

Caroline's Kids Pet Rescue/Sanctuary
7394 Morley Road
Concord Twp., Ohio 44077

For any questions or to set up a time for discussion call:

Judie Brown, Director:
440-449-3496

OPTION 3:

Make Caroline's Kids the beneficiary of a life insurance policy.

This option makes it easier for pet owners to provide lifetime care for their pets. Many pets lose their homes when their owners die or become disabled. Family and friends are not always able to take on the responsibility, and the pet is left to an uncertain fate. This option is designed to provide continuing care for the feline that is left behind when it's owner passes away through the use of life insurance. You may designate Caroline's Kids Pet Rescue as a

beneficiary of either an existing or new life insurance policy.

Caroline's Kids Pet Rescue asks that you provide a \$3,000.00 minimum bequest per pet. By enrolling in the Caroline's Kids *Love for Life Program* you will receive peace of mind knowing that your beloved feline companions will continue to receive tender loving care and any medical care they need.

You may wish to designate Caroline's Kids Pet Rescue as a beneficiary to receive a portion of the income from your retirement funds, beyond what is needed to support you and your family comfortably. You may also wish to make Caroline's Kids Pet Rescue the beneficiary of a

trust or annuity. These assets can be structured to provide support for you or your family for life, with a gift to the Sanctuary thereafter.
