CAROLINE'S KIDS PET RESCUE NEWSLETTER

Summer 2009

5 Year old Jake lounges in the afternoon sun.

Just Judie

To our loyal readers, supporters and donors:

Due to financial market conditions and increased cost of printing and postage, we have had to cut back on the size and content of our newsletter. We hope to resume the printing of our newsletter in full next year, conditions warranting.

I thank you for your understanding and ask you to watch our website at www.carolines-kids.org for our wish list and updates of upcoming events.

As with all charities in these tough economic times, please remember the cats of Caroline's with your continued donations of food, litter, gift cards and monetary help.

Every penny that comes in goes to the direct care of the cats. But in order to continue bringing in donations, we also must put out mailings and appeal letters. The newsletter is meant to keep our readers in the loop as to what we are doing, so the decision was made to use the website for this reason at least on a temporary basis.

As we continue to grow rapidly, as there are so very many older and special needs cats that need our

help, cats lost in foreclosures and those who suffer abuse and neglect or injuries due to cars or at the hands of humans, it is more difficult for me to keep up personally answering each and every piece of mail as I have been used to doing for the past 9 years.

I ask for your understanding of this also as my time is more concentrated on cat care and as director, more management and less of the office duties are required. I am still available at the office number to each caller as I would never want to miss out on helping a cat who does need our immediate love and care.

Thank you for helping us to help the little ones in our care. For without your continued support and donations, we could not do the work we do for the ones who cannot speak for or care for themselves.

Heavenly Thanks to our Memorial Donors:
