Winter 2015

2008 FINALIST for ANIMAL PLANET'S "CAT HERO OF THE YEAR"

Just Judie

Due to increase in printing cost and postage, we will be going to an email format for our once a year newsletter. The newsletter will also be posted on our website.

I appreciate your understanding in this matter, as costs increase, decisions have to be made as to where to scale back.

I want to take this opportunity to publicly thank Karen Dennemeyer of CA. for donating all the new windows for the sanctuary in memory of Carol Quinn.

Karen also has donated the purchase of a whole house generator in memory of Carol Quinn.

This memorial gift of windows will be lasting and will help with heating, cooling bills and an updated look to all the rooms and safety for the cats as the old windows were not safe to open, now the cats in every room will enjoy fresh air.

The generator will be so helpful as we are on a well and if power is out, we basically are shut down. What an awesome gift for all staff and cats alike.

Thank you, Karen, for your generosity and thoughtfulness.

Our Mission:

To give cats who are adoptable an opportunity for a permanent, loving home through adoption.

To provide life-long care and love in a cageless sanctuary to old and special needs cats.

To promote the precious value of each feline life regardless of age, illness or handicaps.

Garage Sale

Ann and Jenny will be having a moving sale to benefit CK this year at 37639 Harlow Drive in Willoughby (across the street from the original sales held on Willoughcroft).

It is planned for late April or early May and will be advertised on our website and in the News-Herald.

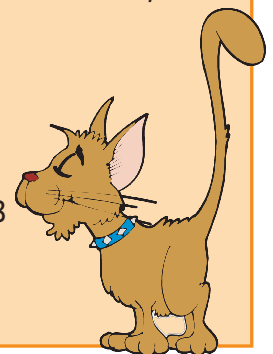

Many new and very nice items have already been donated, but if

you have items you would

like to donate please call

Jenny or Ann at 440.942.4758

anytime after March 1.
